East Coast Bylaws

One of the outcomes of our Regional Congress was the recognition that our Bylaws are somewhat outdated and are in need of revision. We are assembling a Committee to examine and revise the current document to bring it more in line with today's realities of communication and technologies.

If you are interested and willing to help with this task, please let us know. E-mail subudsec@gmail.com

Subud USA National Congress July 4-8

From the National Helpers:

Dear Brothers and Sisters,

This summer there are some wonderful opportunities to come together in large Subud gatherings that in the past many of us have found to be renewing and affirming of the spiritual life that is the essence of our Subud way. We encourage everyone to test about the significance of the Gathering of the Americas in Vancouver, B.C., and the *Subud USA National Congress closely following in Seattle, WA.*

It would be our joy to see you there!
