Regional Gathering Washington DC Passages SICA-USA Workshop	This year's East Coast Gathering was held over Columbus Day weekend in Durham, N.C. The event was attended by over 80 members and was infused with goodwill, harmony, numerous latihan and meaningful testing. Activities included a delicious selematan and tour of the Durham Subud house and garden, reports from Subud USA, the Regional by-laws committee, an update from Durham and Washington housing committees, Puebla family activities, and helper development. Many thanks go out to the very hospitable Durham group, the Midwest contingent that made the long trek to Durham, all of those who participated in talent sharing, and the unflagging energy of the helpers!
