We are holding the event over Memorial Day weekend, from Thursday, May 22, 2014 through Monday, May 26 instead of our usual July 4th time. The reason for the change of date is to get a little more time between the national and international congresses. The event will primarily be a business congress with delegates to select new officers and to approve new proposals. As always, however, we will have lots of kejiwaan activities in addition to business. We are trying to make this as affordable as possible so that those who are going to Puebla won't have another big expense, and those not going will still have an opportunity to be together with Subud members across the country and share big latihans.</p> <p>2014 East Coast Gathering:</p> <p>Washington DC/Beltsville will be hosting our annual Fall Gathering over Columbus Day weekend Friday evening October 10th through Monday the 13th. We look forward to celebrating in the new Subud House (see construction progress below)!</p>
